RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

RECEIVED

DEC 03 2003

Sir:

TECHNOLOGY CENTER R3700

In reply to the July 22, 2003 Election of Species Requirement, Applicants
provisionally elect Species 4, Figure 28, with traverse. Claims 23-28 read on the elected
species.

It is also respectfully submitted that the subject matter of all claims 23-33 is
sufficiently related that a thorough search for the subject matter of any one group of claims
would encompass a search for the subject matter of the remaining claims. Thus, it is
respectfully submitted that the search and examination of the entire application could be made
without serious burden. See MPEP §803 in which it is stated that "if the search and
examination of an entire application can be made without serious burden, the examiner must
examine it on the merits, even though it includes claims to independent or distinct inventions"
(emphasis added). It is respectfully submitted that this policy should apply in the present

application in order to avoid unnecessary delay and expense to Applicants and duplicative examination by the Patent Office.

The Examiner is respectfully requested to reconsider and withdraw the Election of Species Requirement and to examine all claims in this application.

Respectfully submitted,

James A. Oliff
Registration No. 27,075

Kevin M. McKinley
Registration No. 43,794
